Moving in Eight Steps

1. START WITH A PLAN.
Get a free in-home estimate and decide what moving services fit your budget.

2. TALK WITH YOUR LOCAL AGENT.
Your local agent is your point of contact for your move. Chat with them about any questions or concerns.

3. PACK IT UP. Bekins can pack all or part of your belongings–or you can pack items yourself. If you're doing the packing, be sure to take a look at our packing guides.

4. INTO THE TRUCK. Your driver and his crew will prepare your home for loading, and they'll move everything so you won't need to lift a finger. Plan to hang out on loading day to sign documents and provide direction to the driver.

5. GETTING FROM A TO B.
Your driver will let you know the estimated arrival time two days in advance. Stay in touch with your move manager or local agent for progress reports.

6. DELIVERY DAY. Plan to arrive early to meet the driver and crew. Payment is due prior to unloading. During unloading, you'll have time to inspect your belongings to make sure there's no damage or missing items.

7. OUT OF THE BOX. We can assist with unpacking, or if you'd rather do it yourself, that works, too. We're also happy to recycle your moving boxes and cartons.

8. HOW DID WE DO? We hope your move was fantastic–and we're always looking for ways to improve our service. You will receive a survey once your move is completed–please take a few minutes to let us know how we did.
